The color collection

Η D.G.K.Pellachrom με τη νέα συλλογή της **Design color collection** δίνει νέες ιδέες και προτείνει χρωματικές συνθέσεις που εμπνέουν ηρεμία και αρμονία προσδίδοντας μια νέα αισθητική ανάλογα με το χώρο σας και το περιβάλλον. Για την καλύτερη επιλογή των χρωματικών συνδυασμών ο κατάλογος αυτός χωρίζεται σε 7 επιμέρους χρωματικές ενότητες.

off whites

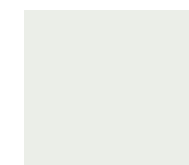

Αποχρώσεις του λευκού φωτεινές και φρέσκες εμπνέουν την αίσθηση της καθαριότητας ενώ με την ακτινοβολία και τη λάμψη τους προσδίδουν στο χώρο σας μια νότα ηρεμίας και άνεσης. Οι λευκές αποχρώσεις λιτές όπως είναι, εκπέμπουν θετική ενέργεια και δένουν αρμονικά με όλες σχεδόν τις αποχρώσεις του χρωματικού κύκλου, επιτρέποντας να δώσετε τη δική σας πινελιά έντονη ή ήρεμη ανάλογα με τη διάθεση και το ύφος του χώρου σας.
